

## VIETNAM CASHEW LP

No.: LP-CASHEW-TM

Date: 01 Jan 2022

### Product Description

HS Code 08013200  
Country Vietnam  
Botanical name: Anacardium occidentale L.

### Physical - Chemical data

Physical data	Unit	Parameter	Method of testing
<b>Serious damage</b>			
Insect damage	% Max	1.00	As per current AFI method
Rancid	% Max	1.00	As per current AFI method
Foreign matter	% Max	0.01	As per current AFI method
<b>Defects</b>			
Third quality	% Max	5.00	As per current AFI method
Fourth quality	% Max	1.00	As per current AFI method
Dessert quality	% Max	2.50	As per current AFI method
Deep scrapes	% Max	2.00	As per current AFI method
Adhering testa	% Max	3.00	As per current AFI method
<b>Grade/size</b>			
Next lower size	% Max	5.00	As per current AFI method
<b>Moisture</b>	% Max	5.00	As per current AFI method

### Microbiological data

Criteria	Unit	Parameter	Method of testing
E. Coli	cfu/g	Absent in 1g	Petrifilm - AOAC
Salmonella	cfu/g	Absent in 25g	ISO - 6579:2002

### Storage and distribution (standard \*)

Shelf-Life 24 months from the date of packing  
Storage condition: Cool dry clean place (25 Deg C)  
Pack size 50lbs vacuum bag/carton net or otherwise to customer's requirements  
Labelling Standard: Best before date, batch code, production date, product name and code or according to contract conditions
